Dear Jim,

Many thanks for taking the time to give me such a good rundown and tour last Thursday morning. I found all of our discussions very helpful and the view of your plant fascinating indeed. I particularly appreciate your taking me on on such short notice.

Sorry that I didn't get to take you up on your offer for a game of mixed doubles. Between the time I left you and Saturday afternoon, I played 125 games of doubles of one sort or another and that was about all I could take! It was indeed a fun tournament and a delightful place to hold one.

I hope to see you again whenever I get back to Phoenix and maybe we could find the opportunity for tennis then. In the meantime, again many thanks.

Yours,
